

Meeting About Medical Internship for MBBS 2013

On Monday 2nd April, 2018, a meeting was held in the Classroom SMSLM115 with the class of MBBS 2013 to discuss their oncoming medical internship which starts next semester. The meeting was attended by Mr Zhang and Mr Huang from School of Medicine, Mr Shao from Health Center and Ms Ding from Overseas Education College.

Several topics were discussed regarding the logistics and management of internship and many doubts were cleared from students who would be doing their internships in their own countries.

The students were concerned about several topics such as the proposed pre-internship exam, HSK requirement, credits required to start internship, make-up exams' date, documents provided to students on starting internship – such as the internship logbook, complete marksheet, provisional degree and no objection certificate if requested.

Topics such as requirement of hospitals were also discussed, for student doing their internships in countries outside China, such as acceptance letters, hospital bed requirement and duration of weeks to spend during each rotation.

All in all, most of the students' doubts were cleared and they left with a clear mind.
